

# Dani California

## Red Hot Chili Peppers

Getting born in the state of Mississippi  
Papa was a copper and mama was a hippie  
In Alabama she would swing a hammer  
Price you gotta pay when you break the panorama  
She never knew that there was anything more than poor  
What in the world does your company take me for

Black bandanna, sweet Louisiana  
robbin' on a bank in the state of Indiana  
She's a runner, rebel and a stunner  
On her merry way sayin; baby whatcha gonna  
Lookin' down the barrel of a hot metal .45  
Just another way to survive

California rest in peace  
Simultaneous release  
California show your teeth  
She's my priestess, I'm your priest  
YEAH, YEAH

She's a lover baby and a fighter  
Shoulda seen it coming when it got a little brighter  
With a name like Dani California  
The day was gonna come when I was gonna mourn ya  
A little lonely, she was stealing another breath  
I love my baby to death

California rest in peace  
Simultaneous release  
California show your teeth  
She's my priestess, I'm your priest  
YEAH, YEAH

Who knew the other side of you?  
Who knew that others died to prove  
Too true to say good bye to you  
Too true to say say say..

Push the fader gifted animator

One for the now and eleven for the later

Never made it up to Minnesota  
North Dakota man was a gunnin' for the quota

Down in the badlands she was savin' the best for last  
It only hurts when I laugh  
Gone too fast..

California rest in peace  
Simultaneous release,  
California show your teeth,  
She's my priestess, I'm your priest  
YEAH, YEAH

California rest in peace  
Simultaneous release,  
California show your teeth,  
She's my priestess, I'm your priest  
YEAH, YEAH
