

You Can Still Be Free

Savage Garden

Cool breeze and autumn leaves
Slow motion daylight
A lone pair of watchful eyes
Oversee the living Feel the presence all around
A tortured soul
A wound unhealing
No regrets or promises
The past is gone But you can still be free
If time will set you free Time now to spread your wings
To take to flight
The life endeavor
Aim for the burning sun
You're trapped inside But you can still be free
If time will set you free
But it's a long long way to go Keep moving way up high
You see the light
It shines forever
Sail through the crimson skies
The purest light The light that sets you free
If time will set you free Sail through the wind and rain tonight
You're free to fly tonight
And you can still be free
If time will set you free
And going higher than mountain tops
And go high like the wind don't stop
And go high Free to fly tonight
Free to fly tonight
Free to fly tonight
