Craziest Girl I Know

Bob Guiney

She talks to God when my back is turned
I can't live with this I guess I'm gonna have to learnShe smiles at me when it's going wrong
It's February now and it won't be longShe's waiting for flowers to grow
In the garden I know is covered with snow
And when she leaves now where does she go
God only knows she's the craziest girl I knowShe pops these pills to make her feel good again
It's February now and her hands are digging in the dirt again
