

Too Close to Hate

Sevendust

Feel it inside
I need someone to bide my time
I look around
This world seems to bring me downTalk to me, too close to me, to talk to me, not to me
So close to hate, what you wanna hate? Not to hate?
So close to hate, what you wanna hate? Not to hate?
Save, save, saveBide my time
This path that I walk is leading me blind
I walk over and ask
Ask the question, will I ever lastTalk to me, too close to me, to talk to me, not to me
So close to hate, what you wanna hate? Not to hate?
So close to hate, what you wanna hate? Not to hate?
Save, save, saveAnd now I feel it in my head, again
And now I feel it in my head, again
(Hey)
I'm still stuck inside
I'm still stuck insideAnd now I feel it in my head again
And now I feel it in my head again
And now I feel it in my head againAnd now I feel it in my head again
And now I feel it in my head again
And now I feel it in my head againI'm still stuck inside
I'm still stuck inside
