Too Close to Hate

Sevendust

Feel it inside
I need someone to bide my time
I look around

This world seems to bring me downTalk to me, too close to me, to talk to me, not to me So close to hate, what you wanna hate? Not to hate?

So close to hate, what you wanna hate? Not to hate?

Save, save, saveBide my time

This path that I walk is leading me blind

I walk over and ask

Ask the question, will I ever lastTalk to me, too close to me, to talk to me, not to me

So close to hate, what you wanna hate? Not to hate?

So close to hate, what you wanna hate? Not to hate?

Save, save, saveAnd now I feel it in my head, again

And now I feel it in my head, again

(Hey)

I'm still stuck inside

I'm still stuck insideAnd now I feel it in my head again

And now I feel it in my head again

And now I feel it in my head again And now I feel it in my head again

And now I feel it in my head again

And now I feel it in my head againI'm still stuck inside

I'm still stuck inside
