

What Condition am I In?

Miles Kane

What condition am I in
When you're racing round my head?

What condition am I in
When I'm burning in my bed?

It's a mystery, I can't get started
She's leaving broken hearted
Like the ripples
In last night's drinking
I'm starting to over think it now
What condition am I in?

What condition am I in
When I'm spinning this and that?
What condition am I in?
You ain't coming back

Visualising things could
Be better than they are
I'm spending as if I'm swinging
From a star
What condition am I in?
You tell me baby
What condition am I in?
