

# Love Me

## Buddy Holly

Well, love me love me love me oh baby love me If you love me honey will you let me know

If you really love me then never let me go Oh, love me love me love me

Well, I'm hoping you do

Oh baby, love me love me love me

The way that I love you Love me never leave me or you'll make me cry

If you really love me then you'll keep my eyes dry Love me love me love me

Well, I'm hoping you do

Love me love me love me

The way that I love you Well, love me love me oh baby, love me oh baby love me baby love me do If you love

me honey all the night and day

Then you'll love me love me all my life I pray Oh, love me love me love me

Well, I'm hoping you do

Oh baby, love me love me love me

The way that I love you
