

Dallas

Jimmy Buffett

If you ever get the chance to go to Dallas
Take it from me, pass it by
'Cause you'll only sing the blues down in Dallas
Take it from me, don't go and cry
And I'm leaving this town as soon as I can
Gonna stop off for a while and see my woman
People, do you wrong down in Dallas
I know well, they've done it to me
Stealin' all your bread, they're so callous
I know well, just look and see
And I'm leaving this town as soon as I can
Gonna stop off for a while and see my woman
And people like me just can't be free
The promo man won't let us be
If the people who knew could get away
I'm real sure they'd leave today
Now come on down and lose your mental balance
Look at me, half crazy now
Talkin' to chairs, strange and I know it
Look at me I'm doin' it now
And I'm leaving this town as soon as I can
Gonna stop off for a while and see my woman
