

# As Long as You Follow

## Fleetwood Mac

I've been searching  
For a pot of gold  
Like the kind you find  
At the end of the rainbow I've been dreaming  
Thought it was in vain  
Ah, But now you're here  
Can't believe that you're back again Now I know I can't lose  
As long as you follow  
I'm gonna win  
I'm gonna beg, steal, or borrow  
As Long as you follow I've been wandering  
Gone away too far  
But the road was rough  
To get back where you are And the sun went down  
Never seem to rise  
Ah, but now you're here  
With the light shining in your eyes Now I know I can't lose  
As long as you follow  
I'm gonna win  
I'm gonna beg, steal, or borrow Yes, I can live today  
If you give me tomorrow  
As long as you follow Now I know I can't lose  
As long as you follow  
I'm gonna win  
I'm gonna beg, steal, or borrow Yes, I can live today  
If you give me tomorrow  
As long as you follow
