

Maybe This Is Love

Varsity Fanclub

Yeah, just can't get enough
Whoa, oh, oh, just can't get enough
Girl, look at me, I want to look into your eyes
I get this weird feeling inside
It's kind of crazy 'cause
I ain't never had this kind of feeling in my life
And I can't even sleep sometimes
Wake up late at night with you on my mind
And I can't get you out no matter how I try
'Cause maybe this is love
Maybe this is love, I feel it in your touch
I just can't get enough of you baby, wait a minute
I'm saying, maybe this is love, there's something between us
I just can't get enough of you baby, wait a minute
I'm saying, maybe this is love
There's something about your eyes, your hair, your smile
You're drivin' me wild, girl, you're so beautiful and you're all mine
I'm the luckiest man in the world and you're so picture perfect
You stole my heart girl, it's just so worth it
And I can't get you out my mind no matter how hard I try
Maybe this is love, I feel it in your touch
I just can't get enough of you baby, wait a minute
I'm saying, maybe this is love, there's something between us
I just can't get enough of you baby, wait a minute
I'm saying, maybe this is love

Maybe this could be this could be, yeah
(Maybe this is love)
Maybe this could be, this could be
Let me tell you girl, maybe this could be, this could be
(Maybe this is love)
Maybe this could be, this could be
Maybe this is love
(Yeah)

I feel it in your touch, I just can't get enough
(Just can't get enough, no)
Of you baby wait a minute
I'm saying maybe this is love
(Maybe this is love)

There's something between us
I just can't get enough
(Just can't get enough)
Of you baby wait a minute
I'm saying maybe this is love
(Oh)
Hey yeah
Wait a minute
I'm saying maybe this is love
Wait a minute
(Just can't get enough)
I'm saying maybe this is love
(Just can't get enough)
