

# Seaside

## Kultiration

Seaside I go dark side  
traveling slow  
Disturb by this door  
Cus I  
Side by side we go we go  
I follow you wherever you go  
I follow you wherever you go  
All the shadow place on from the form  
feeling insecure  
loosing track again  
track within my head again  
this is the sound of a quite war  
heart beat  
bounded through this night  
I'll look in too  
We were in the wear  
Bound south and coming in sticking like bloom  
Let them pass on through  
I follow you wherever you go  
I follow you wherever you go  
I follow you wherever you go  
I follow you, I follow you, I follow you,  
I follow you, I follow you, I follow you,  
I follow you, I follow you, wherever you go seaside...  
I follow you wherever you go  
I follow you wherever you go  
wherever you go  
wherever you go
