

# Like It or Not

## Madonna

All the way from Athens, the A-T-L shawty  
[Bubba Sparxxx]Uhh, Sleepy Brown  
Uhh, Bubba Sparxxx  
We gon' keep doin it baby  
Whether you like it or not.. uhh  
[Chorus: Sleepy Brown + (Bubba)]Ain't a damn thang pretty  
From dirt roads to the city, uhh  
(You might catch me drunk in the pub)  
(Or either crunk in the club)  
WHETHER YOU LIKE IT OR NOT  
Don't matter where I hang  
People love my twang, uhh  
(Call us country or Southerners mayn)  
(We gon' keep doin our thang)  
WHETHER YOU LIKE IT OR NOT  
[Sleepy Brown]Rollin up +So Fresh, So Clean+  
Wood grain, big screen TV's  
Uhh, I got the bump-bump in my trunk now  
Uhh, I'm 'bout to, I'm 'bout to funk  
Now all the ladies seem to like my style  
Guess I'll be here for a while, mmm  
To see who wants to come and be with me  
I'll take you back to the flat so I can show you where it's at, c'mon  
Ohh, wee - look at me  
Movin 'cross the floor so easily  
Oh, my, can't deny  
This funk starts high in the sky  
I'm 'bout to get my groove on  
Uhh, I'm 'bout to bust a move on 'em  
Uhh, there's no-thing you can do for 'em  
Uhh, cause I'm checkin the spot if you really like it or not  
[Chorus][Bubba Sparxxx]I know you hate it, I'ma say it to you anyway  
I'm 'bout to throw them 24's on that Escalade  
Still I got the Mickey T's on the Chevrolet  
Z-7-1, the mere sight'll take your breath away  
It's today but I'm still on it like it's yesterday  
Throw me the ball, this the game that I was bred to play  
And pass the cooler with this stewardess named Desire
