

You Must have Been An Angel

Bob Carlisle

I was the lonely one inside, seemed like my prayers had been denied

I'd come to the decision to never find a love that's true

Down on my knees again, in prayer; Oh Lord, please send someone to care,

My best imagination could not have dreamed someone like you...[Chorus]

You Must Have been an angel,

I can tell by the heavenly way my heart fell, Oh, it was Spiritual, A miracle, that an angel would fall in love with
me

You've got that heart of gold I swear, you are the answer to my prayer

And so much heavenly power, to make a mortal dream come true

Oh you were Heaven sent I know, for even when the lights are low,

I can almost see a halo, Girl, I'm so in love with you [Chorus] Girl I'm so glad I found you, Gonna wrap my
whole world around you

Oh, it's gonna be, so heavenly, Just you & me....[Chorus]
