Somethin' Else

Second Shift

Uh-look-ah there
There she comes
Here comes that girl again
Wanted to date her since I don't know when
But she don't notice me when I pass
She goes with older guys from out of my class
But that can't stop me from-ah thinkin' to myself
She's sure fine lookin' man
She's somethin' else

Hey look-ah there
Across the street
There's a car made just for me
To own that car would be a luxury
But right now I can't afford the gas
A brand new convertible is out of my class
But that can't stop me from-ah thinkin' to myself
That car's fine lookin' man
It's somethin' else

Hey look-ah here
Just wait and see
Workin' hard and savin' my dough
I'll buy that car that I've be wanting so
Get me that girl and we'll go ridin' around
The town will be all shocked with my white top down
I'll keep right on and dreamin' and-ah thinkin' to myself
When it all comes true, man
Wow! That's somethin' else

Look-ah here
What's all this?
Never thought I'd do this before
But here I am ah-knockin' on her door
My car's out front and it's all mine
Just a '41 Ford not a '59
I got that girl and I'm-ah thinkin' to myself
She's sure fine lookin' man
Wow! She's somethin' else
