

Dude (Looks Like a Lady)

Aerosmith

That, that dude looks like a lady
That, that dude looks like a lady
That, that dude looks like a lady
That, that dude looks like a lady

Cruise into a bar on the shore
Her picture graced the grime on the door
She's a long lost love at first bite
Baby maybe you're wrong but you know it's all right
That's right

That, that
That, that

Backstage we're havin' the time
Of our lives until somebody say
Forgive me if I seem out of line
Then she whipped out her gun and tried to blow me away!

Never judge a book by it's cover
Or who you gonna love by your lover
Sayin' love put me wise to her love in disguise
She had the body of a Venus, Lord imagine my surprise.

So baby let me follow you down (let me take a peek dear)
Baby let me follow you down (do me, do me, do me all night)
Baby let me follow you down (turn the other cheek dear)
Baby let me follow you down (do me, do me, do me, do me)

Ooh, what a funky lady
Ooh, she like it, like it, like it, like that.
Ooh, he was a lady!

Dude, dude, dude, dude looks like a lady
Dude, dude, dude, dude looks like a lady
Dude, dude, dude, dude looks like a lady
Dude, dude, dude, dude looks like a lady
