

# Come Give Me Your Hand

## Jennifer Rush

The look in your eyes  
It brings me to life  
With all of your wonder  
I wanna be yoursYour song in the night  
I'm always singing  
When there's only the silence  
Holding me tight through the nightOh, give me your hand  
Then you'll understand me  
Every day is a gift  
Something we shouldn't missThere's no need to run away  
If you feel that this is for real  
'Cause when it's warm  
And straight from the heart, it's time to startYou try to decide  
If we will survive  
Or be torn apart  
By the breaking of two aching heartsOh, give me your hand  
Then you'll understand me  
Every day is a gift  
Something we shouldn't missThere's no need to run away  
If you feel that this is for real  
'Cause when it's warm  
And straight from the heart, it's time to startAh-ha-ha-ha-ha  
Ah-ha-ha-ha  
Ah-ha-ha-ha-haNow give me your hand  
Then you'll understand me  
Every day is a gift  
Something we shouldn't missThere's no need to run away  
If you feel that this is for real  
'Cause when it's warm  
And straight from the heart, it's time to startIt's time to start  
It's time, ooh, now, to start  
It's time to start
