

Good Morning

Mandisa

Wave away my yesterday
'Cause I'm leaving it behind me
Hello sunshine, come what may
I feel something new inside me
I hear the birds singing
Now my alarm's ringing
Get up, get up, hey
It's a good morning
Wake up to a brand new day
This morning
I'm stepping, stepping
Stepping on my way
Good morning
You give me strength
You give me just what I need
And I can feel the hope
That's rising in me
It's a good morning
Slow down, breathe in
Don't move ahead
I'm just living in this moment
I've got my arms raised, un-phased
Jump out of bed
Gotta get this party going
I went to bed dreaming
You woke me up singing
Get up, get up, hey
It's a good morning
Wake up to a brand new day
This morning
I'm stepping, stepping
Stepping on my way
Good morning
You give me strength
You give me just what I need
And I can feel the hope
That's rising up in me
It's a good morning
Good morning

Now I'm smiling, and I'm kissing
All my worries goodbye
Got the feeling, if I spread my wings
I might even fly

You are my truth, my way
Give me the strength to say
Get up, get up, get up
'Cause it's a good morning
Mr Mac to the mic
Hey, top of the morning to you, 'Disa
You smoothie, me ice cold pizza
Cafe au lait, latte dah
You do the zumba, but I do not
Give me like half a marathon
I'll give you the gospel of St. John
Hits me like a wake up bomb
'Cause we both know that His mercy flows
In the morning
Wake up to a brand new day
This morning
I'm stepping, stepping
Stepping on my way
Good morning
You give me strength
You give me just what I need
I can feel the hope
That's rising up in me
It's a good morning
Wake up to a brand new day
This morning
I'm stepping, stepping
Stepping on my way
Good morning
You give me strength
You give me just what I need
I can feel the hope
That's rising up in me
It's a good morning
Top of the morning to you, 'Disa
Hey, top of the morning to you, girl
To-to-top of the morning to you, 'Disa
Morning little miss sunshine
Man, you morning people
No, I'm serious
