

# Stuntman

## Kasabian

No map looking for the one I love  
Cause the one I love is here  
No map looking for the one who stands  
Cause he's arming me from fear  
We got tuned in by the other side  
Lives spent digging holes for the ones that hide  
See the white of my eyes  
I'm a stunt man  
See the white of my eyes  
I'm a stunt man  
See the white of my eyes  
I'm a stunt man  
See the white of my eyes  
More cuts taken for the one in silence  
Now he sits between my ears  
His moves in madness how I love the rush  
Could you wipe away these tears  
We got taken by  
A rush of blood  
My trains leaving now  
How I wish I could  
See the white of my eyes  
I'm a stunt man  
See the white of my eyes  
I'm a stunt man  
See the white of my eyes  
I'm a stunt man  
See the white of my eyes  
See the white of my eyes  
I'm a stunt man  
See the white of my eyes  
I'm a stunt man  
See the white of my eyes  
I'm a stunt man  
See the white of my eyes  
See the white of my eyes  
I'm a stunt man  
See the white of my eyes  
I'm a stunt man  
See the white of my eyes  
I'm a stunt man  
See the white of my eyes
