

Spirit of the Living God (Radio Edit)

[Meredith Andrews](#)

Spirit of the Living God
Spirit of the Living God
We only wanna hear your voice
We're hanging on every word Spirit of the Living God
Spirit of the Living God
We wanna know you more and more
We're hanging on every word Speak to us Spirit of the Living God
Spirit of the Living God
We're leaning in to all you are
Everything else can wait
Spirit of the Living God
Spirit of the Living God
Come now and breathe upon our hearts
Come now and have your way Cause when you speak, when you move
When you do what only you can do
It changes us, it changes
What we see and what we seek When you come in the room
When you do what only you can do
It changes us, it changes
What we see and what we seek
You're changing everything Spirit of the Living God
Spirit of the Living God
Come now and breathe upon our hearts
Come now and have your way
Cause when you speak, when you move
When you do what only you can do
It changes us, it changes
What we see and what we seek When you come in the room
When you do what only you can do
It changes us, it changes
What we see and what we seek
You're changing everything When you move, you move all our fears
When you move, you move us to tears
When you move, you move all our fears
When you move, you move us to tears When you fall, we fall on our knees
When you fall, we fall at your feet
God, when you fall, we fall on our knees
When you fall, we fall at your feet Cause when you speak, when you move
When you do what only you can do

It changes us, it changes
What we see and what we seek When you come in the room
When you do what only you can do
It changes us, it changes
What we see and what we seek
You're changing everything
