

# Just So You Know

Jesse McCartney

I shouldn't love you but I want to  
I just can't turn away  
I shouldn't see you but I can't move  
I can't look away I shouldn't love you but I want to  
I just can't turn away  
I shouldn't see you but I can't move  
I can't look away And I don't know  
How to be fine when I'm not  
'Cause I don't know  
How to make a feeling stop Just so you know  
This feeling's takin' control of me  
And I can't help it  
I won't sit around  
I can't let him win now Thought you should know  
I've tried my best to let go  
Of you but I don't want to  
I just gotta say it all before I go  
Just so you know It's gettin' hard to be around you  
There's so much I can't say  
Do you want me to hide the feelings  
And look the other way And I don't know  
How to be fine when I'm not  
'Cause I don't know  
How to make a feeling stop Just so you know  
This feeling's takin' control of me  
And I can't help it  
I won't sit around  
I can't let him win now Thought you should know  
I've tried my best to let go  
Of you but I don't want to  
I just gotta say it all before I go  
Just so you know This emptiness is killin' me  
And I'm wonderin' why I've waited so long  
Lookin' back I realize it was always there  
Just never spoken I'm waitin' here  
Been waitin' here Just so you know  
This feeling's takin' control of me  
And I can't help it  
I won't sit around

I can't let him win now Thought you should know  
I've tried my best to let go  
Of you but I don't want to  
Just gotta say it all before I go  
Just so you know, just so you know Thought you should know  
I've tried my best to let go  
Of you but I don't want to  
Just gotta say it all before I go  
Just so you know, just so you know
