Sidewalk Sinner

Gary Glitter

A long the Grooviest Street in town
You're trendy friend of Mine
Stepping out to show your faceWalking up and walking down
Just can't wait to get in line
Just make sure you're in the right placeSidewalk Sinner
Think you're such a winner
Ev'ry body knows your Name (Game, Name)All you want is admiration, Showing off your new creation
Think you're full of fascination, Must improve your situation,
Flattery is not my style, I'll let you off the hook a whileGet your action, get your friends
You'll soon come back to me again,Sidewalk Sinner, think you're such a winner
ev'ry body knows your name
