The Taste

D-Rashid and Rishi Bass

So I seen her
In a land that was forgotten
She brought a candle to my mind
But it got no easier then
So I snuck out of her apartment
I went down to buy a premium
But all that settled was my mind
For a time till she showed me what a fire was
I will be a happy man if you're my sacred son
I could be a dividend if you're my only one
So I bought 12,000 acres
And it suddenly was a dozen
And for a moment I was blind
But for the time, I caught a glimpse inside the universe there
I couldn't handle the dimensions
See 2 plus 2 can equal 5 here
So I sold off unto a lamb
But it was a scam and he giggled like he'd won the lottery
I will be a happy man if you're my sacred son
I could be a dividend if you're my only one
And all the children started singing
There I fell into a coffin, yeah
Brought the water in my eyes
Surprised, I wondered at the miracle there
When it all was finally over
I thought about our time here
Here where everything's divine
Well I find baby I still got the taste for you
Yeah I still got the taste for you
Yeah I still got the taste for you
Yeah I still got the taste for you
Yeah I still got the taste for you
If you're my only, you're my only, you're my only one
