

# The Taste

## D-Rashid and Rishi Bass

So I seen her  
In a land that was forgotten  
She brought a candle to my mind  
But it got no easier then  
So I snuck out of her apartment  
I went down to buy a premium  
But all that settled was my mind  
For a time till she showed me what a fire was  
I will be a happy man if you're my sacred son  
I could be a dividend if you're my only one  
So I bought 12,000 acres  
And it suddenly was a dozen  
And for a moment I was blind  
But for the time, I caught a glimpse inside the universe there  
I couldn't handle the dimensions  
See 2 plus 2 can equal 5 here  
So I sold off unto a lamb  
But it was a scam and he giggled like he'd won the lottery  
I will be a happy man if you're my sacred son  
I could be a dividend if you're my only one  
And all the children started singing  
There I fell into a coffin, yeah  
Brought the water in my eyes  
Surprised, I wondered at the miracle there  
When it all was finally over  
I thought about our time here  
Here where everything's divine  
Well I find baby I still got the taste for you  
Yeah I still got the taste for you  
If you're my only, you're my only, you're my only one
