

# What About Us

## ATB

As a matter of fact,  
There`s no turning back  
Though I can`t deny,  
I still want you back  
No confidence, just hide and seek  
Your weapon`s blood, is security

What about promises,  
And what about the days I`m missing  
What about, what about, what about us  
What about the time of our lives  
What about the things that you had  
What about, what about, what about us

[Chorus: x4]  
I'm waiting for you

I'm waiting  
It's time to let go

[Chorus: x2]  
I'm waiting for you  
What about, what about, what about us

As a matter of fact,  
There`s no turning back  
Though I can`t deny,  
I still want you back  
No confidence, just hide and seek

Your weapon`s blood, is security  
What about promises,  
And what about the days I`m missing  
What about, what about, what about us

I'm waiting for you  
I'm waiting for yo  
What about, what about, what about us  
What about, what about, what about us

As a matter of fact,  
There`s no turning back  
Though I can`t deny,  
I still want you back  
No confidence, just hide and seek  
Your weapon`s blood, is security  
What about promises,  
And what about the days I`m missing  
What about, what about, what about us

What about the time of our lives  
What about the things that you had  
What about, what about, what about us
