Homegrown Tomatoes

Blue Dogs

Well, there ain't nothin' in the world that I like better
Than bacon and lettuce and homegrown tomatoes
Up in the mornin', out in the garden
Get you a ripe one, hey, don't get a hard onePlant 'em in the spring, eat 'em in the summer
All winter with out 'em's a culinary bummer
I forget all about the sweatin' and diggin'
Everytime I go out and pick me a big oneHomegrown tomatoes, homegrown tomatoes
What'd life be without homegrown tomatoes
Only two things that money can't buy
And that's true love and homegrown tomatoesNow you can go out to eat and that's for sure
But it's nothin' a homegrown tomato won't cure
Put 'em in a salad, put 'em in a stew
You make your very own tomato juiceYou can eat 'em with eggs, eat 'em with gravy
Eat 'em with beans, pinto or navy
Put 'em on the side, put 'em in the middle
Put a homegrown tomato on a hotcake griddleHomegrown tomatoes, homegrown tomatoes
What'd life be without homegrown tomatoes
Only two things that money can't buy
And that's true love and homegrown tomatoesIf I's to change this life I lead
I'd be Johnny Tomato Seed
'Cause I know what this country needs
Homegrown tomatoes in every yard you see, yeahWhen I die, don't bury me
In a box in a cemetary
Out in the garden would be much better
And I could be pushin' up homegrown tomatoesHomegrown tomatoes, homegrown tomatoes
What'd life be without homegrown tomatoes
Only two things that money can't buy
And that's true love and homegrown tomatoesHomegrown tomatoes, homegrown tomatoes
What'd life be without homegrown tomatoes
Only two things that money can't buy
And that's true love and homegrown tomatoes, alright
