Foolish Bastard

Brutal Truth

Genocide
Wrong side
Don't fall inside
Lost compromiseWho has lost
And what's the gain?
Caustic cost
Is all the sameTime to save
Your blessed race
Foolish bastard
Born ignorantWho has lost
And what's to gain?
Caustic cost
Is all the sameFollow the leaders of mindless games
Ignorance rules in stupid ways
Follow the leaders of mindless games
Ignorance rules in stupid waysGenocide
Wrong side
Don't fall inside
Lost compromiseWho has lost
And what's the gain?
Caustic cost
Is all the same
