

Yes! (Illicit Club Mix)

Amber

Ohhh yeahyeahSaw him once in the hills
Water in the canyon
walked by the sun
I brushed up against him
Wildflowers on fireAnd then I asked him with my eyes
To ask again (yes)
And then he asked me would I?
Yes, Yes
I put my arms around him, yes
And draw him down to me so he can feel my breast
And his heart was going like mad
I mean yes, I said yes, I mean yes...The moon rose in the sky
As we lay together
One second goes by
Then becomes forever
Come to you by desireAnd then I asked him with my eyes
To ask again (yes)
And then he asked me would I?
Yes, Yes
I put my arms around him, yes
And draw him down to me so he can feel my breast
And his heart was going like mad
I mean yes, I said yes
I put my arms around him, yes
And draw him down to me so he can feel my breast
And his heart was going like mad
I mean yes, I said yes, I will yes
Yes
Yes
Ohhh yesI put my arms around him, yes
And draw him down to me so he could feel my breast
And his heart was going like mad
I put my arms around him, yes
And draw him down to me so he can feel my breast
And his heart was going like mad
I mean yes, I said yes
I put my arms around him, yes
And draw him down to me so he can feel my breast
And his heart was going like mad

I mean yes, I said yes, I will yes...
