

# Chroma-Matic

## Static-X

Winding it up  
Like a wound metal fuzz box  
Tuning it up  
Make your neck bend roundPlugging it in  
To the primary noise box  
Making it raw  
Make your brain shut downOrigin known  
To the few chroma-matic  
It shakes your eyes  
And it shocks you wideTuning it down  
To the end note, feedback  
Fuzz back, head scratch  
Phase loop, heart attackChroma-matic  
Chroma-matic  
Chroma-matic  
Chroma-maticOrigin known  
To the few chroma-matic  
It shakes your eyes  
And it shocks you wideTuning it down  
To the end note, feedback  
Full stack, head crack  
Slam that CadillacChroma-matic  
Chroma-matic  
Chroma-matic  
Chroma-matic
