

Things Are Changin'

Gary Clark Jr.

[Chorus]

Ooh baby things are changing now

And I can't tell

Where I'll be from here on out

Ooh its hell

Knowing that for now

We shouldn't kiss and tell

When it's so good You walk up to me like a stranger girl

And I already know your name

I can make you feel good

If you want to give me the time of day

Won't you listen to me here and now?

Cause I'll lay it down simple and plain

Ooh it'd be good to get together girl

But it'll be so hard to maintain

Cause it seems like now [Chorus] I told you already girl

That I oh I was so gone

But that sweet sweet love

Yeah it had me hanging on

So strong and I

I know now girl

That I can stand alone

I was put here on this earth

By myself whoa I gotta keep moving on

Cause it seems like now [Chorus]
