Hide The Bone

Prince

Hide the bone, ah yeah, ah yeah
Hide the bone, oh, yeahI can't hold it any longer it's gettin' harder every day
The need for you is getting stronger than my need to playPlayin' hard to get is gettin' hard to play how can I be
cool
Fallin' every day? Playin' hard to get is gettin' hard to play
How can I resist? Love has got me sayin', baby
Give it up bang, bang before it be gone hide the boneOh, when you whisper that you want me
Press your body close to mine
I feel the fire burnin' and I just wanna surrender
I wanna surrender every time, heyPlayin' hard to get is gettin' hard to play how can I be cool
Fallin' every day? Playin' hard to get is gettin' hard to play
How can I resist? Love has got me sayin', baby
Give it up bang, bang before it be gone hide the boneHide the bone, hey baby, bone
Hide the bone, hey baby, boneYou're goin' to ruin my reputation
I'm used to makin' all the rules
But I can't control this situation, I can't control it
When it comes to me and youYou're breakin' down my resistance
I won't ever be the same, oh no
You kiss away all my defenses
This time the hunter is captured by the game bonePlayin' hard to get is gettin' hard to play how can I be cool
Fallin' every day? Playin' hard to get is gettin' hard to play
How can I resist? Love has got me sayin', baby
Give it up bang, bang before it be gone hide the bone
Ah yeah, heyBone whatever you do keep it movin', whatever you do don't stop
Bone whatever you do keep it movin', whatever you do don't stop
Bone whatever you do keep it movin', whatever you do don't stop
