

# Just Give Me A Reason (The Voice Performance)

[Michelle Chamuel](#)

Right from the start  
You were a thief, you stole my heart  
And I your willing victim  
I let you see the parts of me, that weren't all that pretty  
And with every touch you fixed them  
Now you've been talking in your sleep oh oh  
Things you never say to me oh oh  
Tell me that you've had enough  
Of our love, our love Just give me a reason, just a little bit's enough  
Just a second we're not broken just bent, and we can learn to love again  
It's in the stars, it's been written in the scars on our hearts  
We're not broken just bent, and we can learn to love again I'm sorry I don't understand  
Where all of this is coming from  
I thought that we were fine (Oh we had everything)  
Your head is running wild again  
My dear we still have everythin'  
And it's all in your mind (Yeah but this is happenin')  
You've been havin' real bad dreams oh oh  
You used to lie so close to me oh oh  
There's nothing more than empty sheets between our love, our love  
Oh our love, our love Just give me a reason, just a little bit's enough  
Just a second we're not broken just bent and we can learn to love again  
I never stop, you're still written in the scars on my heart  
You're not broken just bent and we can learn to love again Oh tear ducts and rust  
I'll fix it for us  
We're collecting dust, but our love's enough  
You're holding it in  
You're pouring a drink  
No nothing is as bad as it seems  
We'll come clean Just give me a reason just a little bit's enough  
Just a second we're not broken just bent and we can learn to love again  
It's in the stars, it's been written in the scars on our hearts  
That we're not broken just bent and we can learn to love again Just give me a reason, just a little bit's enough  
Just a second we're not broken just bent, and we can learn to love again  
It's in the stars, it's been written in the scars on our hearts  
That we're not broken just bent, and we can learn to love again Oh we can learn to love again  
Oh we can learn to love again oh oh  
Oh that we're not broken just bent and we can learn to love again
