

St Pauli

Art Brut

Friends, near complete family
At times, they don't understand me
Birthday, Christmas they send all love
We both know, it's just not enoughI'd feel alive as part of a team
St. Pauli, hear me screamPunk rock ist nicht tot!
Punk rock ist nicht tot!
Punk rock ist nicht tot!
Punk rock ist nicht tot!She, can't say she loves me
Even though it's plain to see
I'm saying it to her
So she can say it back to meSometimes our phone isn't quite what it seems
I'd have companionship as part of a teamPunk rock ist nicht tot!
Punk rock ist nicht tot!
Punk rock ist nicht tot!
Punk rock ist nicht tot!We are Hamburg schoolSorry if my accent's flawed
I learnt my German from a 7 inch recordSorry if my accent's flawed
I learnt my German from a 7 inch recordSorry if my accent's flawed
I learnt my German from a 7 inch recordPunk rock ist nicht tot!
Punk rock ist nicht tot!
Punk rock ist nicht tot!
Punk rock ist nicht tot!The kids don't like it,
The kids don't like it
What else can we do when the kids don't like itThe kids don't like it,
The kids don't like it
What else can we do when the kids don't like ityeah!
