

Shots & Squats (feat. Tham Sway)

Vigiland & SoMo

We've been doing squats
Party on the dock
Take off every top
Time to pump it up Drink until we drop (drop)
Then take another shot (shot)
We don't give a fuck
Now take it from the top
Okay Drinking, drinking, drinking, drinking, drinking till we drop
Party, party, party, party, party 'round the clock
Shot!
Drinking, drinking, drinking, drinking, drinking till we drop
Party, party, party, party, party 'round the clock
Shot!
Drinking, drinking, drinking, drinking, drinking till we drop
Party, party, party, party, party 'round the clock
Shot!
Drinking, drinking, drinking, drinking, drinking till we drop
Party, party, party, party, party 'round the clock
Shot! Drinking, drinking, drinking, drinking, drinking till we drop
Party, party, party, party, party 'round the clock
Okay
Drinking, drinking, drinking, drinking, drinking till we drop
Party, party, party, party, party 'round the clock
Okay We've been doing squats
Party on the dock
Take off every top
Time to pump it up
Drink until we drop (drop)
Then take another shot (shot)
We don't give a fuck
Now take it from the top
Okay Drinking, drinking, drinking, drinking, drinking till we drop
Party, party, party, party, party 'round the clock
Shot!
Drinking, drinking, drinking, drinking, drinking till we drop
Party, party, party, party, party 'round the clock
Shot! Okay
Shot!
Party 'round the clock

OkayWe've been doing squats

Drink until we drop
