

In My Secret Life

Leonard Cohen

In my secret life
In my secret life
In my secret life
In my secret lifeI saw you this mornin'
 You were movin' so fast
 Cant seem to loosen my grip
 On the pastAnd I miss you so much
 Theres no one in sight
And were still makin' loveIn my secret life
 In my secret lifeI smile when Im angry
 I cheat and I lie
 I do what I have to do
 To get byBut I know what is wrong
 And I know what is right
 And Id die for the truthIn my secret life
In my secret lifeHold on, hold on, my brother
 My sister, hold on tight
 I finally got my orders
 Ill be marching through the mornin'
 Marchin' through the night
Movin 'cross the borders of my secret lifeLooked through the paper
 Makes you want to cry
 Nobody cares if the people
 Live or die
 And the dealer wants you thinkin'
 That its either black or white
 Thank God its not that simple
 In my secret lifeI bite my lip
 I buy what Im told
 From the latest hit
 To the wisdom of oldBut Im always alone
 And my heart is like ice
 And its crowded and coldIn my secret life
 In my secret life
 In my secret life
 In my secret lifeIn my secret life
 In my secret life
 In my secret life
 In my secret life
