

# Runaway

## Gentleman

Why are you so ungrateful  
You nuh see that Jah give we life after all  
Check yourself before you wreck yourself  
Me see that Jah Jah give we life after all  
Still none a dem nuh give no thanks at all  
Dem think dem a rise me see dem a fall  
fall dem a fall - fall dem a fall How long you want to go run away  
Run away from yourself you nuh see that truth ago reveal  
and every day you got to pray - well that you fi go do  
and make your life one a the real How you fi expect love and you still a glorifie the gun  
How you want clarity if acoke you nuh stop bun  
Your dirty lifestyle nuh give you no way to turn  
you still nuh realize that you wrong  
After you come out of your church you beat your babymother down  
and then you tell her youre sorry but your head did full a rum  
she couldnt tek your excuse and your flattering tongue  
thats why she left you today and still a ask How long you want to go run away  
Run away from yourself you nuh see that truth ago reveal  
and every day you got to pray - well that you fi go do  
and make your life one a the real Dem say dem a the dolphin but me see dem a the shark  
dem stand ina the spotlight and live in the dark  
claim say dem grounded but me see dem a skylark  
so to me dem cant talk  
In this time and this ages man hafi be smart  
think before you talk and watch the road wha you a walk  
from you look ina your conscience you cant miss the mark  
And make a joyful sound unto the Lord How long you want to go run away  
Run away from yourself you nuh see that truth ago reveal  
and every day you got to pray - well that you fi go do  
and make your life one a the real Nuff a dem me see dem can teach  
Dem hufi go back a school so a no me dem can teach  
A fi dem dirty talk dem call it freedom of speech  
Me wonder who dem try reach  
Righteousness uno fi go check it  
Golong and do some good ina Your life wickedness uno fileft it  
cleanheart always will make it  
and from you see a chance ina your life  
you better take it nuh reject it
