

Dreaming

[Justin Nozuka](#)

Eyes like drops of wet paint
Blue in the faint
She had been crying Voice soft like the rain
I've never seen pain
Without trying Eyes changing color Pink and purple collide
While she's still alive
She's slowly drying
Past deeper than words
Higher than birds
She was once flying Straight from religious lines
And now she is blind
So sick of lying
Say whatever you may
But she is a goddess of the sky Eyes changing color
Realer than my dreams
Glowing on the candle of eternity
