

You Own My All

Nota

It feels like I'm falling in love, am I crazy?
Sounds unreal, but I can't get enough from you baby
My situation's 'bout to wave with your smile
Pick up the phone and drop a line every once in a while
It feels like I'm head over heels, am I crazy? (crazy, crazy, crazy)
And I'll spend every dollar I make on my lady, (lady, lady, lady) And all my friends remind me all of the time
That love is blind, I know, but she's my one of a kind.
Oh oh oh, it's like the happy ending twisting my story
Anything goes wrong I don't have to worry
Cuz I know you'll be right beside me
It feels so lovely
I love it when you say that you love me
And every time I'm feeling down, down, down
You're the only one around
To pick me up when I fall to the ground
Believe me
I'll be there whenever you need me
And every time you're feeling down, down, down
I'll be the one around
To pick you up when you fall
You own my all Sometimes ya' make me feel like you drive me crazy (crazy, crazy, crazy)
But I don't mind cuz the rest of the time you're amazing (amazing)
And you're never mean, you always know what to say
To make my day a little brighter than yesterday Oh oh oh, it's like the happy ending twist to my story
Anything goes wrong I don't have to worry
Cuz I know you'll be right beside me
It feels so lovely
I love it when you say that you love me
And every time I'm feeling down, down, down
You're the only one around
To pick me up when I fall to the ground
Believe me
I'll be there whenever you need me
And every time you're feeling down, down, down
I'll be the one around
To pick you up when you fall
You own my all
