No More Tears

Drugstore

It's raining, it's pouringmy lovelife is boring me to tears, after all these years
No sunshine, no moonlight, no stardust, no sign of romancewe don't stand a chance
I've always dreamed I found the perfect loverbut he turned out to be like every other manour love, our love
Raining (raining)pouring (pouring)there's nothing left for us hereand we won't waist another tear
If you've had enough, don't put up with his stuff, don't you do it
If you've had your fill, get the check pay the bill, you can do it
Tell him to just get outnothing left to talk aboutpack his raincoat show him outjust look him in the eyes and simple shout
Enough is enough is enough
I can't go on, I can't go on, no more noenough is enough, is enough
I want him out, I want him out that door now
Enough is enough
If you've reached the end, don't pretend that is rightwhen it's over (It's over)if the feeling is gonedon't think twice just move onget it over (over, over)tell him to just get out, say it clearly, spell it out
Enough is enough is enough
I can't go on, I can't go on, no more noenough is enough is enough
I want him out, I want him out that door now
Enough is enough
I've always dreamed to find the perfect lover, but he turns out to be like every other manour love (I had no choice from the start)our love (I've gotta listen to my heart)our love (tearing us apart)Enough, is enough, is enough
I can't go on, I can't go on no more noenough, is enough, is enough
I want him out, I want him out that door now
Enough is enough
No more tears (no more tears)no more tears (no more tears)no more tears (no more tears)no more tears (no more tears)enough is enough is enough is enough is enough is enough
I've had it, you've had it, he's had it, we've had itenough is enough is enough is enough is enough is enough
I've hat it, you've had it, he's had it, we've had it
I always dreamed I find the perfect lover
But he turned out to be like every other man
I had no choice from the start
I've gotta listen to my hearttearing us apart
Enough is enough is enough
I can't go on, I can't go on, no more noenough is enough is enough
I want him out, I want him out that door now
Goodbye mister, goodbye, goodbye mister, goodbye sugar
It's raining, it's pouringthere's nothing left for us hereand we won't waist another tear
No more tearsis enough is enough is enough is enough is enough is enough is enough is ENOUGH!
