

No More Tears

Drugstore

It's raining, it's pouring my love life is boring me to tears, after all these years
No sunshine, no moonlight, no stardust, no sign of romance we don't stand a chance
I've always dreamed I found the perfect lover but he turned out to be like every other man our love
Raining (raining) pouring (pouring) there's nothing left for us here and we won't waste another tear
If you've had enough, don't put up with his stuff, don't you do it
If you've had your fill, get the check pay the bill, you can do it
Tell him to just get out nothing left to talk about pack his raincoat show him out just look him in the eyes and
simple shout
Enough is enough is enough
I can't go on, I can't go on, no more no enough is enough, is enough
I want him out, I want him out that door now
Enough is enough
If you've reached the end, don't pretend that is right when it's over (It's over) if the feeling is gone don't think
twice just move on get it over (over, over) tell him to just get out, say it clearly, spell it out
Enough is enough is enough
I can't go on, I can't go on, no more no enough is enough is enough
I want him out, I want him out that door now
Enough is enough
I've always dreamed to find the perfect lover, but he turns out to be like every other man our love (I had no
choice from the start) our love (I've gotta listen to my heart) our love (tearing us apart) Enough, is enough, is
enough
I can't go on, I can't go on no more no enough, is enough, is enough
I want him out, I want him out that door now
Enough is enough
No more tears (no more tears) no more tears (no more tears) no more tears (no more tears) no more tears (no more
tears) enough is enough is enough is enough is enough is enough
I've had it, you've had it, he's had it, we've had it enough is enough is enough is enough is enough is enough
I've had it, you've had it, he's had it, we've had it
I always dreamed I find the perfect lover
But he turned out to be like every other man
I had no choice from the start
I've gotta listen to my heart tearing us apart
Enough is enough is enough
I can't go on, I can't go on, no more no enough is enough is enough
I want him out, I want him out that door now
Goodbye mister, goodbye, goodbye mister, goodbye sugar
It's raining, it's pouring there's nothing left for us here and we won't waste another tear
No more tears is enough is enough is enough is enough is enough is enough is enough is ENOUGH!
