

# Ladies

## Doudou Masta

Ladies of leisure  
Oh, with their eyes on the back roads  
All looking for strangers  
To whom they extend welcomes  
With a smile and a glimpse  
Of pink knees and elbows  
Of satin and velvet  
Good ladies, good fortune  
Ladies  
(Ladies)  
Ladies  
(Ladies)  
They sing of their heroes  
Of solitary soldiers  
Invested in good health  
And manner most charming  
Whose favors are numbered  
None the less, well intended  
By hours in a minute  
By those ladies who bless them  
Ladies  
(Ladies)
