

# She Was Mine (ft. Jesse Barrera)

[AJ Rafael](#)

So I hopped on a train three in the afternoon  
I don't know when I'm coming back,  
But I hope that it's soon  
See, i never thought (never thought)  
That I'd have to leave your side (your side)It's only physically  
But you know that you will be on my mind  
Twenty-four hours at a time  
Cause in my eyes, you were mine (you were mine)No matter where you go, I won't be very far  
Cause in my head I'll be right there where you are  
Cause love has no distance baby  
Love, love has no distance baby  
No, not when it comes to you and meSee, she wrote me a letter, said the weather wasn't better  
But she says that she was doing fine  
"i want to see you face to face", that's what she wrote to me that day  
And i knew that it was all a sign  
So i wrote back with this song,  
promise it won't be too long  
Wanna make up for all our lost time  
Cause in my eyes, you were mine (you were mine)No matter where you go, i won't be very far  
Cause in my head i'll be right there where you are  
Cause love has no distance baby  
Love, love has no distance baby  
No, not when it comes to you and meSo i'm going through these boxes, my life's gone off track  
It's been three years, she hasn't written back  
But in my eyes, she's still mine  
And i know it sounds so stupid to be waiting this long  
But i'm still in love, and i know i'm not wrong  
Cause in my eyes, she was mineNo matter where you go, i won't be very far  
Cause in my head i'll be right there where you are  
Cause love has no distance baby  
Love, love has no distance baby  
No, not when it comes to you and meNo matter where you go, i won't be very far  
Cause in my head i'll be right there where you are  
Cause love is no distance baby  
Love, love has no distance baby, no  
Not when it comes to you and me
