

Don't Come Around

Miggs

And I hear you, I want to explain
And I feel you but I won't feel your pain
It's not like I don't care, it's not like I don't have fear
It's not like I wasn't there, it's just that I...I can't wait for you to come around
Pick yourself off the ground
Don't come around
Just to let me back down
And I see you and what you've done to yourself
If it kills you you're going down by yourself
It's not like I don't feel pain, it's not like I don't have shame
It's not like I want it this way,
It's just that I...I can't wait for you to come around
Pick yourself off the ground
Don't come around
I'm not standing in your way
I won't stand here in your way
