Elvis Depressedly

rage blooms through you
and blossoms in the back of your mind
laughing like a riot
caving to the highi don't want to be myself around anybody elsepain moves through you
and settles in the back of your mind
laughing like a riot
caving to the highi don't want to be myself around anybody elserage blooms through you
and settles in the back of your mind
laughing like a riot
caving to the highi don't want to be myself around anybody else
i don't want to be myself around anybody else
