## Stateless

Wake up look me in the eyes again  
I need to feel your hand upon my face  
Words can be like knives  
They can cut you open  
And the silence surrounds you  
And holds you  
I think I might've inhaled you  
I could feel you behind my eyes  
You gotten into my bloodstream  
I could feel you floating in me

Words can be like knives  
They can cut you open  
And the silence surrounds you  
And holds you  
I think I might've inhaled you  
I could feel you behind my eyes  
You gotten into my bloodstream  
I could feel you floating in me

The spaces in between  
Two minds and all the places they have been  
The spaces in between  
I tried to put my finger on it  
I tried to put my finger on it  
I think I might've inhaled you  
I could feel you behind my eyes  
You gotten into my bloodstream  
I could feel you floating in me  
I think I might've inhaled you  
I could feel you behind my eyes  
You gotten into my bloodstream  
I could feel you floating in me
