When You Walk In The Room

Pam Tillis

I can feel a new expression on my face
I can feel a glowing sensation taking place
I can hear the guitars playin' lovely tunes
Every time that you walk in the roomI close my eyes for a second and pretend it's me you want
Meanwhile I try to act so nonchalant
I feel a summer's night with a magic moon
Every time that you walk in the roomBaby it's a dream come true
Standin' right along side of you
Wish I could show you how much I care
But I only have the nerve to stareI can feel a something pounding in my brain
Just any time that someone speaks your name
Trumpets sound I hear thunder boom
Every time that you walk in the room
