

Contagious (Orchestral Rendition)

Night Riots

Don't be, don't be so cold.
Bones rust decay and mold.
Head first, it is what it is.
Youth lost kicks us to live. I am contagious, I am breaking down.
I am nothing, I am no one's fault.
I am contagious, I am plagued with lies.
Flesh of our fathers, I am no one's fault. Let go don't be so vain.
All the masses all the names.
Look out and into the sky.
Full of light, full of life.
I am contagious, I am breaking down.
I am nothing, I am no one's fault.
I am contagious, I am plagued with lies.
Flesh of our fathers, I am no one's fault. Crystals in the night, we are surrounded.
I am contagious, I am breaking down.
I am nothing, I am no one's fault.
I am contagious, I am plagued with lies.
Flesh of our fathers, I am no one's fault.
