

# Plaistow Patricia

## Chaos UK

Arseholes, bastards, fucking cunts and pricks  
Aerosol, the bricks  
A lawless brat from a council flat oh, oh  
A little bit of this and a little bit of that oh, oh  
Dirty tricks From the Mile End Road  
To the match-stick Beacontree  
Pulling strokes and taking liberties  
She liked it best when she went up west oh, oh  
You can go to hell with your 'well, well, well' oh, oh Who said good things always come in threes?  
Reds and yellows, purples, blues and greens  
She turned the corner before she turned fifteen  
She got into a mess on the NHS oh, oh  
It runs down your arms and settles in your palms oh, oh Keep your eyeballs white and keep your needle clean  
Plaistow Patricia, Plaistow Patricia  
Plaistow Patricia, Plaistow Patricia Her tits had dropped, her arse was getting spread  
She lost some teeth, she nearly lost the thread  
She did some smack with a Chinese chap oh, oh, oh  
An affair began with Charlie Chan oh, oh Well, that was just before she really lost her head  
Now she owns a showroom down the Mile End Road  
And her outer garments are the latest mode  
There's a Siamese cat in the council flat oh, oh  
The finest grains for my lady's veins oh, oh And when it gets out of order, she goes away for a bit  
Plaistow Patricia, Plaistow Patricia  
Plaistow Patricia, Plaistow Patricia  
Plaistow Patricia, Plaistow Patricia  
Oh, go on, girl
