

Higher Heights (Acoustic)

Mishka

Mishka - Higher Heights People! The power! Is in your hands!

To chase our corruption, To heal this Beautiful land

Jah Beautiful Land. Oh Yeaaa..

Yeaaa.. People! The hour! The hour is at hand!

We can come together now Rise up and take a stand!

'Cause we got the powers yes! To stop those warmongers.

Though they try to divide us all

Jah love has to conquer.

We got the powers yes! Together we'll be so much stronger.

And the Babylon's system Won't be able to stand any longer.(x2)

Ahyeah-i

Ahyeah-o

Ahyeah-yea

Oahyo, wahyeh-yo Acquisition of material things Won't satisfy your soul

Only Jah love is everlasting

It never leaves us in the cold

It's a shame to see Mother Earth and her Children being bought and sold.

Some of them say things have changed, They still remain the same As in the days of those pirates of old!(x2)

Ahyeah-i

Ahyeah-o

Ahyeah-yea

Oahyo, wahyeh-yo How good and how pleasant it is When we dwell in unity and love.

It's as precious as the rains As the dew from the mountains above.

I would fly to the hills and be at rest If I had the wings of a dove.

But since I have no wings I- hear the voice of a supplication...(x2)

Ahyeah-i

Ahyeah-o

Ahyeah-yea

Oahyo, wahyeh-yo For truth and for rights For peace and for love

We need justice, justice, justice...

But I know some won't want to discuss this

what's this, what's this, what's this...? People!

The power's in your hands!

So chase our corruption! Heal this Beautiful land!

Jah Beautiful Land.
