Oh My Soul

Building Nations

Oh my soul is Heaven bound,
And the devil ain't gonna drag me down.
Fix my eyes on the other side,
I'm gonna fly till the day I die.
Fix my eyes on the other side,
I'm gonna fly till the day I die, till the day I die
Oh my soul is Heaven bound,
And the devil ain't gonna drag me down.
You can try but soon you'll see,
You ain't got no hold on me.
Take me down to the river side,
Wash me clean, give me new life.
Take me down to the river side,
Wash me clean, give me new life, oh new life.
Oh my soul is Heaven bound,
And the devil ain't gonna drag me down.
You can try but soon you'll see,
You ain't got no hold on me.
Oh my soul is Heaven bound,
And the devil ain't gonna drag me down.
You can try but soon you'll see,
You ain't got no hold on me.
Here I stand on the other side,
No more fight left for me to fight.
Here I stand on the other side,
No more flight left for me to fight, oh to fight.
Oh my soul is Heaven bound,
And the devil ain't gonna drag me down.
You can try but soon you'll see,
You ain't got no hold on me.
Oh my soul is Heaven bound,
The devil ain't gonna drag me down.
You can try but soon you'll see,
You ain't got no hold on me, yeah.
