Sheep

The Housemartins

Sometimes I get so angry with the simple life they lead
The shepherds smile seems to confirm my fears
They've never questioned anything, They've never disagreed
Sometimes I think they must have wool in their ears

And when you see a can I see a crook
And when you see a crowd I see a flock
It's sheep we're up against
Sheep we're up against

When I was young they used to get me counting sheep
But the counting I did was all in vain
No when I'm tired and I'm trying to get to sleep
I count humans jumping onto trains

And when you see a can I see a crook
And when you see a crowd I see a flock
It's sheep we're up against
Sheep we're up against

And when you see a can I see a crook
And when you see a crowd I see a flock
It's sheep we're up against
Sheep we're up against
